- Airbus A319/320/321/330
- Beechcraft C90/F90/B200/B300/B350/ Beechjet 400/B58
- Bombardier Challenger 600/601/604 Series/ Global Series
- Bell Helicopters 206/212/222/407/12
- Boeing 737-200/300-400-500/700-800-900/ 727-200/747-200-400/767-200/777-200/300
- CASA 212-300/CN-235/295M
- Cessna 150/180/337/208/CIT 500/550/III/V/II/X
- Collins Proline21
- Dassault Falcon 10/100/900/2000/50/50EX/ 7X Series
- Elbit Systems Advanced Avionics and Combat Systems/Ammunitions
- Elta Systems Air Defense/Aerial Weapons/Satcom/Radar Systems
- Eurocopter AS350/B1/B2/B3-EC225-SA330-AS332
- Fokker 100MK8/F27/F28
- General Electric CF34 Models/T700/CT7 Series
- Genesys Aerosystems/Avionics Suite
- Gulfstream III/IV/V/450/550/650 Series
- Hamilton Sundstrand APS2300 Series/T-62T-40C11/C14 and 14RF-9 Propeller Model
- Honeywell TFE731 Series/HTF7000 Series/TPE331 Series/HTF7000 Series/Primus1000/2000/Primus
- Learjet 24/25/31/35/36/45/55/60 Series
- Leonardo AW139
- Lockheed F16/C130
- Northrop Grumman F5E/F5F
- P&W (Pratt & Whitney) PT6 Series/PW100/118/121/127/PW617F (HSI)/Borescope/Power Assurance Check
- Pilatus PC7/PC9/PC12
- Rolls-Royce AE3007 Series/T56-15A/M250
- Sikorsky UH-60L/S-76/MH-60
- UAV/Drones Design/Manufacture/Testing/Repair
- Universal FMS/SVS/TAWS/CMU

# AIRCRAFT MODIFICATION SOLUTIONS

Wish-V Aviation provides tailored aircraft modification and maintenance solutions for OEMs, governments, and civil operators. We deploy highly experienced technicians to our customers' facilities around the world, delivering expert support where and when needed most.

Our expertise includes:

- Conversions, Upgrades and Refurbishments
- Systems Integration
- Armament Configuration and Installation
- Customized Maintenance Programs
- Aircraft Return-to-Service
- Turnkey Maintenance Solutions

# DRONE PRODUCTION & AIRCRAFT CONVERSIONS

Wish-V specializes in converting a wide array of aircraft platforms into maritime patrol aircraft (MPA) and special mission aircraft (SMA). Our expert solutions deliver unparalleled capabilities for surveillance, anti-submarine warfare, electronic warfare, and more.

## MPA/SMA

- Surveillance
- Reconnaissance
- Custom-Configured Platforms
- Naval Support Missions

Wish-V designs and manufactures high-performance drones, including agricultural, surveillance, reconnaissance, combat, and cargo models. With multiple locations in Brazil, UAE, and Thailand, our global footprint enables us to meet the diverse needs of our worldwide customers.

## DRONES/UAV

- Surveillance
- Reconnaissance
- Cargo & Logistics Support
- Combat-Ready Platforms
- Agricultural Applications

# MANPOWER & INFRASTRUCTURE

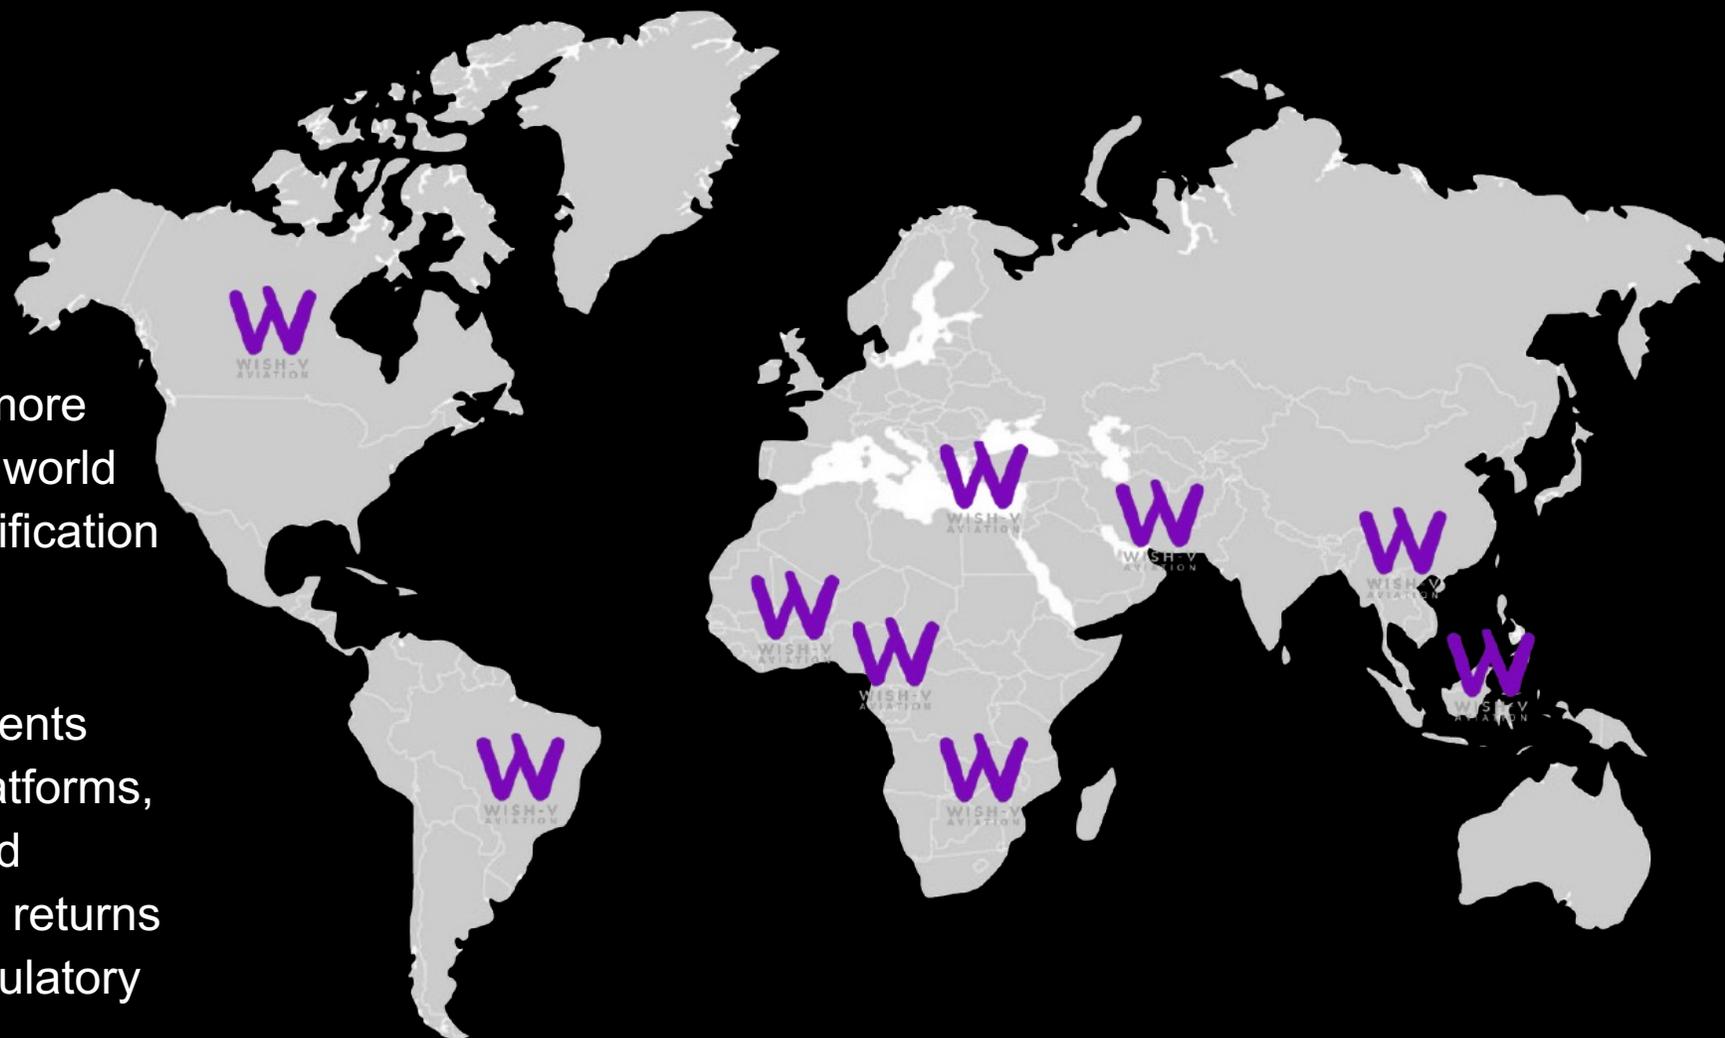

- ✓ Led by FAA/EASA Certified Engineers
- ✓ More Than 120 Mechanics and Technicians Ready to Mobilize
- ✓ 2000m2 Hangar Located at U-Tapao International Airport
- ✓ 6000m2 Second Site Maintenance Facility and Hangar Located in Brazil
- ✓ Avionics, Landing Gear, and Interiors Workshops in Thailand and Malaysia
- ✓ UAV/Drone Manufacturing in Brazil, UAE, and Thailand
- ✓ FAA, EASA, CAAT and ANAC Compliant

## GLOBAL OPERATIONS

Wish-V Aviation operates in more than 15 countries around the world providing on-site aircraft modification and maintenance services.

Serving a diverse range of clients across a myriad of aircraft platforms, our commitment to quality and efficiency ensures successful returns to service, compliant with regulatory and budgetary requirements.

# QUALITY ASSURANCE & CERTIFICATIONS

- ✓ FAA Engineer License No. 3811953
- ✓ EASA License No. BE.66.001265
- ✓ Level 1, 2, and 3 Certified NDI Inspectors
- ✓ Engineer ANAC License No. 116458

## Supplier Network Approvals

- ✓ ISO 9001-2015    ✓ AS9100D
- ✓ Certified by the United States Federal Aviation Administration (FAA)
- ✓ Certified by the European Aviation Safety Agency (EASA)
- ✓ Certified by the Brazilian Civil Aviation Authority (ANAC)
- ✓ Defense Technology Institute (DTI)  
– Strategic Defense Company
- ✓ A Services Supplier for Brazil, Dominican Republic, Ecuador, Ghana, Honduras, Indonesia, Israel, Malaysia, Mexico, Philippines, Thailand, UAE, and others

## Supply Chain

- OEM COC
- FAA 8130
- EASA FORM 1
- N.I.S.
- ANAC FORM 1
- FULL TRACEABILITY
- BACK TO BIRTH DOCUMENTATION
